SEATTLE, Wash., Aug. 30.—The winning streak of the Rainiers was stopped here yesterday when the Salt Lake Bees won the third game of the present series by a score of 12 to 7. Levern was on the slab for the in-jury and twisted high-class ball. Bigbee and Thomas were hit hard by the Bees sluggers. The score:

ST. LOUIS, Aug. 30.—Jones' hit into right field bleachers with two runners on base in the fourth gave Detroit a five to two victory over St. Louis yesterday and tied the visitors with Cleveland for second place. It was Jones' first circuit drive since joining the Tigers. Shocker allowed only five hits, but four of these came in the fourth when Detroit made all of its runs.

Babe Ruth with a record of 23 home runs thus far this season bids to establish a new major league record that will stand for years to come. The Red Sox star is hitting the ball at a terrific clip and with better than a month with which to face the mound stars before the season closes, the veteran expects to smash Long's record of 25 with ease.

STRAIN TELLS IN SCHALK'S FACE

Ray Schalk again is catching nearly all of the games the White Sox participate in. He has certainly earned his pay since joining the Chicago American League team a few seasons back. He's going at his best this year but the pennant hunt already is showing in his face. There are lines there which were not in evidence at the start of the season.

UTAH ATHLETES
WILL CLASH IN
BIG STATE MEET

Track and field stars of Utah will compete in what gives promise of being the greatest track and field meet ever held in the state at the state fair grounds at Salt Lake City, October 9. The meet will be held under the auspices of the state of Utah and will be completed by the general committee and it is expected that at least one hundred athletic stars will take part in the carnival.

Some of the best track men in the west hail from Utah and some of Utah's best bets have won national titles on several occasions. With the holding of the meet in October, Utah sport followers will have a chance to see the best in the state in harness in the great program that has been arranged.

The program will include the 100, 220 and 440 yard dashes; the 880 and mile runs, hurdle races, sack races, and relay races and the broad jump, high jump, discus throw, shot put, javelin throw, pole vault and grenade throwing. Gold medals for first place winners, silver medals for winners of second place and bronze medals for third place winners will be awarded by the state. The entire program will be held in conjunction with the three days celebration which will be held during October 8, 9 and 10 in honor of Utah boys who took part in the great world war.

Stars of the first caliber from every nook and corner of the state will contest and competition promises to be keen. Some of them are already working out for the meet and several Ogdenites are expected to enter the fray. Harold Kay, former Ogden high school star, Glen Dee, Louis Falck, Homer Warner, Harry Bagley, Bert Brown, Lee Richards, Clare Bramwell and Ralph Fuller are the men that are expected to wear the local colors in the meet. All of these men are stars of the first order.

Happy Van Pelt, Dick Romney, Al Warden, Pesty Jarvis, Neil O'Donnell, Brownie Wilson, Ralph Brown, Tolman, Jacques, Christensen, Clissold, Franke, Harry Warden, Anderson, Strang, Bean, Hunt, Hopkins, Perry, Clint Larson, Alma Richards, and scores of others have signified their intentions of entering the meet and with these men in line the fans will no doubt see some fine sport.

In the distances the runners should put up some close contests. Al Warden, All-American naval halfmiler with a record of 1:57.4, and former Salt Lake high school track leader, "Bunk" Brown, state record holder in the mile run in the interscholastic class, Jacques of the Aggies at Logan Harry Warden, Bob Martin and Hurley should put up some fast races. All of these men are rated with the best trackmen in the west.

Special awards will be made the service relay teams. The navy relay team which was composed of Clissold, Strang, Bramwell and Anderson, and which won all of the relay events for at San Diego in 1918, should be at their best. The army relay aggregation with Dee, Falck, Kay and Warner in action should make the navy men step to win. The members of the half mile and mile relay winning teams will receive gold medals.

A football contest between Ogden high school and either the East or West high of Salt Lake is also being planned for the days celebration. Officials who have charge of the program expect the card to be the classiest that has ever been staged in the west. Admission will be free and the meet will no doubt create considerable interest.

With the reopening of schools throughout the United States within the next few weeks, athletic competition will be far greater than in past seasons. The return of the service men from the battle fields of France will install new pep into the game and with scores of veterans in harness in practically every high school and college in America, the gridiron sport should be ushered in with great enthusiasm.

Glen Dee and Louis Falck, two former Ogden high school athletic stars, will re-enter the Utah Aggie line at Logan next month and these two men are expected to be a tower of strength to the Aggies on the gridiron. Dee and Falck were both members of the championship 148th Field Artillery aggregation, which won the A. E. F. title and are primed for a fast season.

Harold "Bish" Kay, another Ogden star, will probably enter the University of Utah when the bell sounds for recruits. Kay during his high school career was one of the classiest high school track stars that ever took part in competition. Prior to the war he was a star on the football field at the "U" and was a track star of the first order.

Coach Tommy Fitzpatrick of the University of Utah and Coach Lowell Romney of the Utah Aggies are both boasting of a championship eleven at their respective schools during the coming season. While their attitude is a natural one, the Colorado, Idaho

and Montana coaches probably have the same view in mind.

Clinton Larson, Alma Richards, Robert Martin, Creed Haymond, "Bunk" Brown and Ted Johnson will represent Utah at the annual track and field championships of the A. A. U. at Philadelphia September 8, 9 and 10. These men are all nationally known athletes and should be able to bring home added laurels for the Bee Hive state.

Joe Ray, the stellar distance runner of the Illinois Athletic club of Chicago, will attempt to shatter the mile record of 4 minutes 12 and 2-5 seconds in the coming national title games. The record is now held by Norman Taber and was made July 15, 1915.

Some of America's greatest sprint and distance men will be in harness in the coming meet and it is expected that several records will go. Ted Meredith, Earl Eby, Shea, Loomis, Ward, Smith, Landers, Larson, Richards, Martin, Ray and scores of others will form a field of the world's fastest men.

With football ranking with other branches of sport at the Weber academy, B. Y. C. B. Y. U. and L. D. S. schools during the coming season, the fans should see some added competition with the word pepper instilled.

Ogden high school followers will start their gridiron practice about September 29th. Come on you Tigers!

King Football to
Have Several Utah
Teams This Season

Football elevens of Utah will start their annual rampage on the field of battle during the coming week. With few exceptions the entire school list of the state that partakes in the game, will have their initial practices before the week end, while practice at the University of Utah, Ogden high, Granite, Jordan, B. Y. U. and Utah Aggies will not start for at least three more weeks.

In the high school division in particular the schools of Salt Lake and southern Utah will have an advantage of about two weeks in training which should aid them considerably in their fight for state honors.

With the aid of a permanent factor at Weber academy, B. Y. U., B. Y. C. and L. D. S., it is highly probable that the high schools of the state will form a triangle league, with three divisions. This season the schools of Salt Lake, Ogden high, Weber, B. Y. C., Logan high, Payson high, B. Y. U., H. S., Eureka high and Lehi high schools will have teams in the fray. It would, therefore, be impossible for every team in the state to meet the other aggregations, and in that case the state high school athletic association will, more than likely, form a division.

The proposed division would include Ogden, Weber, B. Y. C., Logan and Davis county high schools in the Northern division; East, West, Granite, Jordan and L. D. S. in the Salt Lake division; and B. Y. U., H. S., Payson, Eureka and Lehi in the southern division. The three winners in their respective divisions will then clash for state honors.

In case this system is adopted the drawing system would more than likely be adopted. With this rule in force the team drawing the bye would meet

the winner of the first game.

The grid game in Utah is due for a great season and with the interest increasing yearly the fans of the state should turn out and boost the game. In Ogden the game has always been supported and with Weber and Ogden both in the field this season some real rivalry is being looked forward to. Whether the Brigham Young University will be able to tangle with the Aggies and with Utah is as yet unknown. The "U" at this writing has a complete schedule and unless a pre-season game is arranged it is very probable that the two teams will not mix this season. The same rule is in force at the Aggie school.

Pigskin stars will assemble within due time now and the old system of training, together with crutches, water pails, sponges and the merry routing of the fans, will be the topic of discussion with the many stars of the state.

In the World of
Baseball

Ty Cobb continues to show his class with the war club in the American league. The famous Tyrus is just as speedy this season as he was when he broke into the game a number of years ago. With Cobb hitting like a champion, and with other members of the Detroit team playing wonderful ball, the Tigers are giving the Chicago White Sox a battle for pennant honors in the American league.

Bill Rumler and Sam Crawford are having a merry set-to in the Pacific Coast league for batting honors. Crawford was hitting .371 last week while the Bee star was on his heels with a mark of .370.

"Lefty" Williams, Dutch Reuther, Byrd Lynn, Swede Risburg, Art McMullen, and Morris Rath are some of the former Coast leaguers who will in all probability play in the world's series this season.

Pat Moran's pets are stepping along like real pennant winners in the National league. The Reds have established a great record during the past three weeks and within the next two weeks the fans of the country will know whether it will be Cincinnati or New York.

In the Western league one of the hottest flag races in the history of the game is being staged. Seven of the eight clubs have a chance to win the pennant. The leading team has but 45 points over the seventh place club.

IN THE BOXING
WORLD

Al Young and Jimmie Johns are now in training for their scheduled 10-round bout here next month during the Wild West celebration. Both boys are lightweight and it is expected that the scrap will be one of the nip and tuck variety.

Jack Dempsey, world's heavyweight champion, expects to locate in Detroit after the present year. Dempsey, according to advices received from the east, will purchase a beautiful home in that city. He is a Salt Lake boy.

The proposed match between Bennie Leonard and Charlie White for Thanksgiving day at Denver should be a thriller. If present plans mature the two fighters will more than likely mix. The Denver fight promoter has made the Champion Leonard a guarantee of \$20,000, while White, it is understood, will receive \$10,000 for his efforts. The championship of the world in the lightweight class will be at stake in this bout if it is held.

Willie Meehan, the "Frisco" bear cat, is clamoring for a match with Jack Dempsey. Willie thinks he can defeat the champion, while Dempsey's backers aver that he would put the "Frisco" lad to sleep before the third round.

Salt Lake Schools
Primed for Coming
Athletic Season

Football practice at the East and West high schools in Salt Lake City will start off with the same pepper and ginger as of old during the coming week. It is expected that at least one hundred candidates will be out for places on the two elevens and with such an array of talent the coaches are looking forward to winning the state championship.

At the East High school, Coach Romney will have a first-class array of veterans and on paper the Leopards should be the hardest team in the state for the Tigers of Ogden to battle. In past seasons the Tigers and Leopards have always fought some stubborn contests and this season will be no exception. Smith, Dorious, Romney, Mitchell, Holt, Spencer, Gorlinski, Lee, Oswald and McIntyre are some of the stars that the Leopard coach expects to develop into championship caliber. The opening practice of the season will be called for Friday, September 5th.

West High school gridiron prospects do not look very prosperous on paper. Old men are missing and Coach Christensen will have to develop an entire team of new men. The Panthers, however, will buckle down to work Monday, Sept. 8th, and with practice of the hardest order in store the new mentor expects great things from his candidates.

The Ogden, Jordan and Granite high schools will not open doors until about September 15th and the Salt Lake schools will have an advantage of two weeks in practice.
